SINGLE MATCH OFFER
SEASON 2024/2025

PRESTIGE ZONE

The Prestige Zone was created for companies operating in Gdansk, as well as those operating nationwide, that have branches or facilities in the Tricity and surrounding areas.

It is here that leaders from various industries meet together during sporting events with a passion for football, combined with love for Lechia Gdansk. Perhaps your next business partner is among them too. Because the Prestige Zone is not only a unique place to watch matches, but also an excellent opportunity for business meetings. In the atmosphere of a sports festival you can talk to various counterparties, make new contacts and build business relationships. It is an ideal environment for fruitful negotiations in a less formal, yet exclusive scenery.

In the Prestige Zone, we offer you an excellent menu consisting of Polish cuisine dishes and attentive service, all with a unique view of the pitch with a love-of-the-ball atmosphere before, during and after the match. You can also benefit from the chill zone, so your children from the art corner prepared especially for them.

We cordially invite you to be present in the Prestige Zone. Purchasing business seats is an ideal opportunity for meetings with key clients and conversations with potential business partners.
