

The background of the advertisement is a dark, atmospheric photograph of a modern interior space, possibly a museum or gallery. In the center, the word "Strefa" is written in a large, glowing, cursive script. Below it, the word "PRESTIGIE" is displayed in large, bold, grey capital letters. Several silhouettes of people are visible in the background, some standing and some sitting, adding a sense of scale and activity to the scene. The floor is highly reflective, mirroring the lights and silhouettes.

20 LEGENDS CLUB 25

One of our biggest and most important new features in the Prestige Zone, which we believe will especially capture your hearts, given Lechia Gdańsk's 80th anniversary in 2025.

Legend Club, a series of meetings with legends of our Club, takes place in the Zone before every home match, 45 minutes before kick-off. This talk-show format allows you to listen to exclusive conversations with Lechia's most outstanding former players, ask them questions, get autographs, and take photos together.

Our first, historic guest was Jerzy Kruszczyński, who honored us with his presence at the match against Lech Poznań on February 9, 2025. The hero of, among other things, the legendary two-legged tie against Juventus, and a former player of our then-rival, for whom he played over 100 matches.
