

The background is a dark, moody photograph of a stadium interior. Silhouettes of several people are visible, standing or walking. Large, light-colored letters spelling out 'PRESTIGE' are visible in the background, partially obscured by the silhouettes. The word 'Strefa' is written in a glowing, cursive script in the center of the image.

Legends Club, a series of meetings with the legend of our Club, held in the Zone before each home match, 45 minutes before the first whistle. In a talk show format, which will allow you to listen to an exclusive conversation with the most outstanding, former Lechia players, ask them a question, get an autograph or take a souvenir photo together.
